Key Features

The C185WDO from Doosan Portable Power has been redesigned with advanced engineering and cost-effective features, making it a valuable addition to any rental fleet. Now powered by a dependable Doosan D18 engine, this 3-cylinder, fuel-efficient engine provides plenty of power for all your various applications while saving you big at the pump. This powerful air compressor is protected by a durable but refined canopy design that lifts easily, allowing ample access to all service points for faster maintenance routines. Doosan Portable Power's C185WDO is the answer to your compressor needs.
